

Course Withdrawal Period Announcement

The admission and registration department announces that July 15 (Thursday) 2021 is the course withdrawal deadline for the summer semester. No course withdrawal requests will be accepted after that date.

Please read the following guidelines carefully before applying for course withdrawal:

- Course withdrawal applications will only be considered if submitted within the period specified above.
- Students applying to withdraw from **all** their semester courses will be given the status of postponing students (For more on that , please read the relevant regulations)
- The letter grade (**W**) will show on the withdrawing student's transcript but will not be calculated either in the semester or cumulative GPA.
- Course withdrawing fees are non-refundable.
- **Withdrawing students should be very careful when choosing the courses they want to drop.**
- In the event of mistakenly dropping the wrong course, the student will have to immediately contact the admission and registration department.
- Withdrawing students take full responsibility for their course withdrawing decisions.
- For details on how to withdraw from courses on SIS, please read the attached file.

We wish you all the best
