SCOPE

The 12th International Conference on Wireless Networks and Mobile Communications (WINCOM 2025) is scheduled to be hosted in the city of Riyadh, Saudi Arabia, at the Arab Open University from November 25-27, 2025. This conference stands as a premier platform for the exchange of innovative ideas, in-depth discussions on solutions, and the sharing of invaluable experiences among esteemed researchers and professionals hailing from both academia and industry, all deeply invested in the realms of wireless networks and mobile communications. WINCOM, as the flagship conference of the MobiTic Association, will be thematically anchored in "Global smart connectivity" for its upcoming edition.
